

# 1.

## APARTMENT BUILDING ENTRANCE HALL UP TO 100 NAMES

### HOW THE INSTALLATION WORKS

- The residents' badges open the entrance hall.
- Visitors call residents using the intercom.
- The residents open the entrance hall using the ★ key on their telephone (for example).

### EQUIPMENT REQUIRED

- 1 complete intercom pack and 100-name central unit (cf. p. 34),
- 1 3G-IP unit included in the INTRATONE TELECOM BOXEO package, supplied on subscription to the contract.

Power supply to be wired as close as possible to the central unit.

Max. distance of 100 m between each unit with 0.8 mm twisted cable.
