

# ORGANIGRAMME

## Management site

- ✔ *A free and secure **MANAGEMENT TOOL***
- ✔ *To quickly find out **WHO** has taken the key and/or where the keys are now*

Finally, a better way of managing keys!

**www.organigramme.info** is a secure web platform.

You can access it via [www.intratone.com/managementwebsite/mykeys](http://www.intratone.com/managementwebsite/mykeys).

It is designed for managing, in real-time and without having to visit the site:

- sets of keys,
- related equipment (cabinets, safes or electronic tags / badges),
- the people using them.

### PRODUCT PLUS POINTS

- *No need for IT work to be carried out, since there is no software to be installed.*
- *An email alert is sent to notify the individual.*
